PROFESSIONAL EXPERIENCE

Schuffelaar & Partners: Intern Sustainable Agriculture

Jan 2020 – May 2020

My report entitled 'Climate and Biodiversity in the Common Agricultural Policy (CAP)'. The research entailed interviews with stakeholders and desk research.

Several side jobs

2007 – 2020

Since the age of 13, I have always had a side job next to school/studies (Restaurant, supermarket, babysitter).

Wageningen University, Academic Consultancy Training: Manager

Sept 2018–Oct 2018

Project: Agroforestry for safe drinking water in Limburg

Price winner: 'Best team of the year' – 2018/2019

AIESEC Wageningen: Incoming Exchange Account Manager

Jul 2013 – Aug 2014

For one year, I was responsible for incoming trainees: I matched the company with the right trainee, took care of formalities and made sure of a warm welcome in the Netherlands.

EXTRACURRICULAR ACTIVITIES

Female sorority l'Esprit de la Licorne, Chairwoman

Jul 2016 – Aug 2017

As chairwoman, I was responsible for weekly activities, meetings, the wellbeing of 30 members and the introduction of new members.

Student association KSV Franciscus

Committee of 'Sociëteitslustrum', treasurer

Nov 2016 – Jun 2017

Together with four others, I organised a week full of activities to celebrate the 50th anniversary of the building of the association. As a treasurer I tried to make it as fun and cheap as possible for 200 participating members.

INTERNATIONAL EXPERIENCE

Fieldwork Uganda

Nov 2017 – Dec 2017

For my MSc thesis, I conducted questionnaires with Ugandan farmers. For two months I lived in their village remotely.

Au-pair in Lyon, France

Sept 2015– Jul 2016

During a gap-year, I worked as a 'fille au-pair'. My responsibilities: wellbeing of three children (aged between 3-8 yrs), cooking, light household work and being part of the family.

Internship and fieldwork in Rwanda

Aug 2014 – Dec 2014

As part of my BSc thesis and internship, I did research about erosion control in remote Rwanda. For four months, I lived at the parish of the local catholic church where I learned about Rwandan culture and life. The research and internship entailed conducting questionnaires with farmers, interviewing extension officers and visiting land and water management projects.

Volunteer in Tanzania

Jan 2012 – Jun 2012

During a gap-year, I worked in an orphanage with a permaculture farm to support the local staff with the caring of 19 children. My responsibilities: their wellbeing, after-school activities, and extra English lessons.
